

***Living with Grief:
Diversity & End-of-Life Care
Wednesday, April 29, 2009***

Program Information

This live broadcast of the national teleconference features Frank Sesno, moderator, and a distinguished panel of practitioners, educators and hospice experts who will examine how diversity influences end-of-life decision making and the impact that culture may have at the time of death and during bereavement.

- 9:00 am Registration**
- 9:20 am Welcome**
- 9:30 am Segment I:
Diversity in End-of-Life Care**
- 10:10 am Break**
- 10:15am Segment II:
Diversity at the Time of Death**
- 11:00 am Intermission**
- 11:10 am Segment III:
Diversity in Bereavement Care**
- 12:00 pm Local Panel Discussion**

Learning Objectives:

- Define diversity and discuss sources of diversity such as ethnicity, class, sexual orientation, religion and disability;
- Describe the ways that cultural diversity both can complicate and facilitate end-of-life experiences including grief and adaptation to loss;
- Discuss the knowledge, sensitivities, and skills necessary to work with culturally-diverse populations in end-of-life care;
- Assess the challenges hospice and palliative care present for culturally diverse groups including African-Americans, Latinos/Hispanics, and Islamic-Americans;
- Describe effective strategies and programs to work with end-of-life issues with culturally diverse populations including African-Americans, Latinos/Hispanics, and Islamic-Americans
